Correspondence ending with letter No.756/2 27-28 dated 19/25-9-1929 from the Muz. Commr. forwarding a statement showing the institutions which had no expenditure in them during the 3 years 1924-25, 1925-26 and 1926-27.

Order No. 1746 dated 12/4/30

Recorded.

2. ~~From the statement received from the Muz. Commr. it is seen that~~ In the Bangalore District there are 21 institutions which have income and no expenditure for the last 3 years. Out of these, 3 are stated to be not in service. ~~In 3 cases the institutions have no cash grants but only land inams; As regards the remaining cash grant is not claimed by the archaks in 13 cases and in 3 cases the grant has not been paid as the temples are reported to be in disrepair.~~ Information has not been furnished as to whether any cash grant is attached to Velahankada Khazi ~~and if no service is done and~~ if any cash grant is attached to this, ~~it may be stated~~ as to why this and Huskur Khazi ~~grant may not be disposed of~~ under the defunct inam rules ~~recently issued.~~

~~As regards land inams,~~ of these have no ~~land inams endowed to them;~~ In the case of 6 institutions the Inam lands endowed are in the possession and enjoyment of the Archaks subject to performance of puja while in the other cases the Inam lands are stated to have been leased

out and proceeds credited to the funds of the respective institutions. ~~As regards lands in the possession of Archaks, the local authorities may be asked to see that the temples do get full benefits out of the lands.~~

3. In the Kolar District 11 institutions have income ~~xxxxxx~~ but no expenditure and in 4 of them service is not conducted. The cash grant of Nekkundi Vigneswara and Someswara temples item 7 in the list for the District has been transferred to the new Shankar Mutt at Srinivasapur, while in case No. 11 the Khaji is stated to have not claimed the amount. As regards inam lands in the case of 4 institutions they are stated to be in the possession and enjoymen of the Archaks subject to the performance of the necessary services and in one case the Inam lands of a defunct institution have been transferred to another temple at the place which was in service. In the case of the other institutions, the Inam lands are reported to have been leased out and the realisations credited to the funds of the respectiv institutions.

3 In the Tumkur District, ~~6 institutions are state to be in receipt of income and no expenditure; of these, 5 are stated to be in service and in the othe the building is stated to have collapsed several years ago.~~ 3 of these institutions are stated to have no Inam lands, while in the other 3 cases the Inam lands are stated to be in the possession and enjoyment of the Archaks subject to performance of Puja.

4 In the Shimoga District there are 30 institutions in receipt of income and no expenditure during the last 3 years and in 4 of them, service is stated to be not conducted. In the case of some institutions cash grants have not been paid as the Archaks

have not come forward to claim their dues, while in others the grant is stated to be accumulated to find funds for repairing the respective buildings. 20 institutions have Inam lands granted to them. In most cases, these are in the possession and enjoyment of individuals, subject to the performance of Puja and only in a few cases, the Inam lands are leased out on Gutta and the proceeds credited to the institution.

4 Kadur District.- The total number of institutions of the kind in question is 7, out of which two are ~~in~~ not in service. The cash grants of these as well as those of others, are not paid, because either the parties have not come forward to claim the same or puja is not performed therein. Only one of the institutions in the list has any land inam and it is in the possession and enjoyment of the Archak on payment of Reserve Fund.

5 ~~In the~~ Chitaldrug District ~~17 institutions~~ are stated to be in receipt of income and no expenditure and all of them are stated to be in service. All the institution except one, have land inams and in 9 cases these are leased out and the proceeds credited to the funds of the institutions, while in the remaining cases the lands are in the possession of the Archaks or the villagers subject to the performance of the stipulated services.

In the Hassan District 8 institutions are mentioned as having income and no expenditure. All these are stated to be in service, and in 3 of them the cash grant is stated to have been not claimed by the Archaks All these institutions have land Inams and 4 of them are in the possession of the Archaks. In 5 cases the cash grant is reported to be funded for finding funds for repairing the concerned institutions. In 5 cases the question of payment of cash grant is stated to be under correspondence and in one case, payment is stated to have been since made.

There are several institutions not in service. The question of disposing of the cash & land inams of these institutions in the best manner should be examined and suitable proposals submitted early

22 of these institutions have no land inams. In 2 cases the Inam lands are leased out and the realisations credited to the funds of the institutions. In the remaining cases the lands are reported to be in the possession of the Archaks subject to performances of puja.

7 General remark Government observe that in the case of institutions whose cash grants remain still unpaid steps should be taken to find out the claimants and disburse the amount due without any avoidable delay and if the amounts are not claimed in a fixed time, it may be considered why they should not be credited to General Muzrai Funds.

8 As regards land Inams in the possession of Archaks the local authorities should be instructed to see that the temples derive the fullest benefit therefrom.
